Anti-Bullying Poster Competition

The JAG Programs at West Side Leadership Academy hosted a school wide Anti-Bullying Poster competition. The JAG Programs decided to open the competition to the entire school in order to bring further awareness to bullying prevention and intervention. West Side has taken an active approach in educating students on school safety.

The competition held six places and was judged by school administration, the art instructor, JAG Region 1 Manager, and JAG Region 1 Coordinator. Dozens of colorful, poetic, and graphic posters were entered into the competition. Each place received a cash prize. First place received \$100, second \$50, third \$25, fourth \$15, fifth and sixth received \$5. Prizes were donated by JAG specialist, Ms. Turner and West Side High School alumni, David Watson, who currently works as an engineer for ArcelorMittal.

Great job Ms. Turner and Mrs. Collins!
