Need help with your resume? Or maybe you are nervous about an upcoming interview. Come on in and attend this session to learn exactly how WorkOne can help you!

Basic Computers and Digital Literacy—Learning Computers with Indiana Career Connect (ICC) This course walks customers through setting up a profile in ICC and working toward a more proficient use of the computer and internet for job search related activities. Additional resources will be provided for deeper learning about and with computers. This is a course for those who can use a mouse and keyboard but aren't skilled with computers in general. This is not for customers who already have an ICC profile and are comfortable using a computer or the internet.

My Next Gig – The Gig Economy Do you have a skill that can fill a need? Have you ever thought about doing a side job or starting a side business to fill an income gap or to make some money on the side? "My Next Gig" discusses the gig economy and options for entrepreneurship in Northwest Indiana. The workshop addresses the different opportunities and resources currently available as well as what needs to be considered when putting together your gig.

Job Clubs—Must be enrolled with Career Advisor to attend

The purpose of Job Clubs are not only to prepare our enrolled customers to enter or re-enter the workforce, but to also provide them with professional development and networking. Each attendee will be getting something different out of these 90-minute workshops each time they attend. These workshops are not meant to be attended as a one-time deal for resume and interview assistance, but can be attended on a weekly or monthly basis depending on a customers need. What makes these workshops stand apart is that they can be entered at any point in work-readiness development and job search.

Job Clubs are being offered by industry for enrolled customers to attend based on their career interests. This will give them a more individualized approach to focus on what they are looking for in their next career move.

Job Clubs are being offered in the following industries:

- ◆ Manufacturing and TDL Job Club
- ◆ Professional Services and Retail Job Club
- ◆ Healthcare Job Club
