

Health Fair & Hiring Event welcomes community crowd

WorkOne partnered with the Gary Public Library to host a Health Fair and Hiring Event on Wednesday, August 8, 2018. Local healthcare agencies, employers, and a training provider gathered at the Gary Public Library for this community event. Healthcare agencies provided health information and offered free health screenings, while employers searched for qualified candidates to fill their open positions. The event was open to the public from 10am-2pm. During that time, the event welcomed approximately 95 individuals from the community.
